Type: ID Series
Code: ID024
Version/Date: v3 08/19

Information:

We recommend that, due to the cartridge location, this tap is installed to allow service access from under the bath.

Finishes:

Chrome

Guarantee/Aftercare: During installation extra care must be taken to avoid damaging the fittings. We provide a guarantee against faulty manufacture or materials (excluding serviceable parts), providing they have been installed, cared for and used in accordance with our instructions and good plumbing practice. We recommend that all brassware is installed to allow access to serviceable parts as we cannot accept responsibility in the event that access is required.
