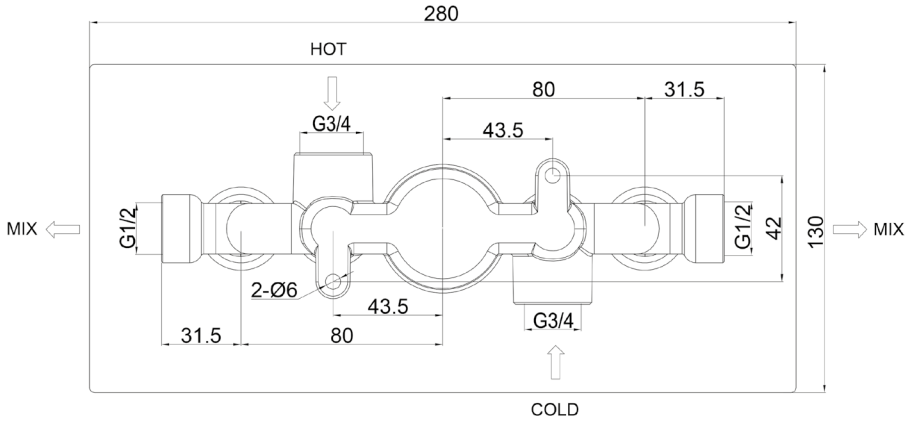
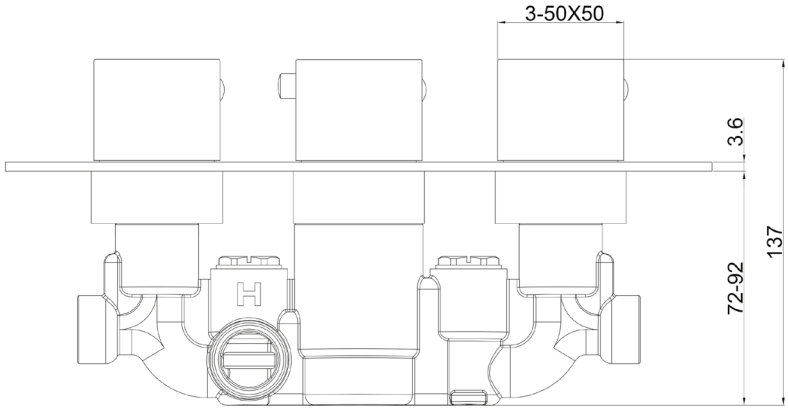
Phoenix
DESIGNED FOR **YOU**
Technical Data Sheet

Range:	Showering Solutions
Type:	Concealed Thermostatic Valves
Code:	SV039CU
Version/Date:	v1 06/20





Information:
In line with general installation practice this thermostatic shower valve may require calibration to suit the plumbing system it is installed on. A balanced pressure is recommended for optimum performance.

Finishes:

Chrome

Guarantee/Aftercare: During installation extra care must be taken to avoid damaging the fittings. We provide a guarantee against faulty manufacture or materials (excluding serviceable parts), providing they have been installed, cared for and used in accordance with our instructions and good plumbing practice. We recommend that all brassware is installed to allow access to serviceable parts as we cannot accept responsibility in the event that access is required.
